

Need A Premium Fast Dry Lacquer
For Revealing Low Spots in Body Work?

Rubber-Seal/Medallion Products

RS-525 Dry Guide Coat

- Instant Dry Aerosol
- The Easiest way to reveal high/low spots
- Won't clog sandpaper like typical paint guide coats
- Can be used in wet or dry sanding
- Fine atomization coating for easy application
- Dry formula eliminates overspray from sticking

DIRECTIONS:

Apply Dry Guide coat to area where surfacing is needed. Sand panel as needed to reveal high and low spots.
