ELITE CAR CARE TECHNOLOGY

Car Wash Soap

An effective cleaner against harsh salts and other road grime that build up on surfaces and underbody. This environmentally-friendly soap uses powerful cleaning agents that act as lubricating foam to clean surface contaminants and also make the rinse process quick and easy. Safe to use on fresh paint.

Part No.	Size
MRS-9630-1	Gallon
MRS-9630-5	5-Gallon

Cleaner Degreaser

A heavy-duty cleaner formulated to remove road grime, engine, and undercarriage grease and can also be used on industrial floors and concrete. This product performs without leaving a greasy residue and doesn't have a harsh scent. For tougher jobs agitate Cleaner Degreaser with a brush to remove stingy, caked-on grease.

MRS-9634-1	Gallon
MRS-9634-5	5-Gallon

All Purpose Cleaner

A biodegradable, non-butyl cleaner that works great on various interior surfaces such as rubber, vinyl, carpet, cloth, and will remove wax and other pesky substances. It can also be used on all exterior surfaces as well. Gentle foams help to lift dirt and produce a clean, fresh scent.

Part No.	Size
MRS-9636-1	Gallon
MRS-9636-5	5-Gallon

TECHNOLOGY

Acid Wheel Cleaner

A ready to use, high-strength acid wheel cleaner designed to cling and breakdown harsh contaminants. Made with strong cleaning agents that penetrate grime and lifts it from the surface for easy removal. It is safe on all OEM wheels and in most cases requires no agitation.

Part No.	Size
MRS-9640-1	Gallon
MRS-9640-5	5-Gallon

Back2New Tire Dressing

A water-based dressing that restores old worn out tires to a like-new appearance and provides weeks of long-lasting protection against the elements. Back2New is safe on all types of wheels and can be easily cleaned off of chrome, aluminum, alloy metals and mag wheels. Multiple coats can be applied to provide extra protection.
