## RS-538

## TECHNICAL DATA

### DESCRIPTION:

**RS-538 "Blast It" Spray Gun Cleaner** is a high pressure aerosol cleaner formulated to remove uncured urethane, polyester and waterborne paints and primers from spray gun internal and external parts. **"Blast It"** is supplied with a nozzle and tube for cleaning internal inlets, tubes and ports.

### Features

- Packaged in a convenient aerosol with a tube for cleaning out ports and inlets.
- Dissolves waterborne paints without gumming up the surface
- Wipes clean with a clean lint-free rag
- Dissolves MRS-775 Primer Sealer Isolator
- California Compliant

Note: Solvent resistant gloves and chemical splash goggles should be worn when using this product.

### Directions

To flush out inlets and ports, spray directly into paint inlet while pumping gun trigger. Continue until liquid is clear in color. To clean exterior surface, apply to surface and allow to penetrate and dissolve paint. Wipe off the surface with a clean, dry cloth.
