

RUBBER-SEAL®

Medallion®

Refinish System

For more than 70 years, Rubber-Seal Medallion Refinish System has built a reputation for providing quality repair and refinish products to the automotive aftermarket, with a focus on increasing productivity and profitability. Now Medallion Refinish System is proud to introduce a full line of premium, film backed abrasives designed to maximize longevity and performance. Medallion Refinish System abrasives are available in various sizes to meet the sanding needs of today's shops.

- Treated to minimize loading and pilling
- Film backed for wet/dry applications
- Long-lasting cutting power
- Consistent scratch pattern

Medallion® PREMIUM ABRASIVE SYSTEM
