

RUBBER-SEAL®

Medallion® *Refinish System*

IT CHECKS ALL THE BOXES!

MRS-4000 EZ UNIVERSAL CLEARCOAT is a versatile clearcoat that simply mixes 1:1 with one of two activators. **MRS-4010 MULTI-PANEL ACTIVATOR** can be used for repairing 2-3 panels or when temperatures rise above 75°F. **MRS-4020 SPOT/PANEL ACTIVATOR** can be used for repairing a single panel or when temperatures are below 75°F. **MRS-4000 EZ UNIVERSAL CLEARCOAT** has excellent leveling properties and dries to a high-gloss finish.
